

May 2020 Ministries & Schedule:

- We will continue to livestream our Sunday AM Worship (10:30 AM) as well as our Wednesday PM Worship (6:30 PM) on Facebook Live. We will not have any other in person gatherings until further notice except those mentioned previously and Tuesday evening's Recovery Ministry.
- We will resume meeting in person on Wednesday, May 6, in the Sanctuary only. This will include adults, teenagers, children, and preschoolers. There will not be any other Wednesday PM Ministries until further notice.
- We will resume meeting in person on Sunday, May 10 (Mothers' Day), in the Sanctuary with overflow seating in the Fellowship Hall (video only). This will include adults, teenagers, children, and preschoolers.
- Until further notice, we will NOT offer any Sunday School Small Groups or nursery/child-care for any of our Sunday AM or Wednesday PM Services.
- With children and preschoolers in our Sunday and Wednesday Services, they will be 50 minutes in length.
- We will have designated sections in the Sanctuary for those at-risk attendees including those over 65 years of age or whose health/immune system is compromised.
- Our seating on Sunday mornings and Wednesday evenings will be for households on every other row and with each row marked in 6 foot increments for social distancing according to CDC guidelines.
- Tithes and offerings can be given in person on Sunday morning to ushers with offering plates upon exiting. Furthermore, tithes and offerings will still be received in person to the church office during the week (Monday-Thursday) or by mail or online.
- As we exit after each service, attendees will be dismissed by rows and encouraged to exit the building promptly without congregating in the foyer or restrooms.

For Your Safety and Comfort:

- ✓ Please feel the freedom to stay at home and continue to worship with us online if:
 - You are 65 years of age or older;
 - You or a family member are immune compromised;
 - You have had any type of sickness recently;
 - You have been around someone who was sick recently;
 - You have been around someone who has been in contact with or suspected to have COVID-19;
 - You have traveled to an area with many COVID-19 cases;
 - You are uncomfortable being around groups of people.
- ✓ Please bring personal masks and gloves if available, and EBC will provide masks and gloves for any who don't bring them and prefer to have them.
- ✓ We will have hand sanitizer/stations throughout the facility to be used often and regularly upon entering and exiting. Furthermore, please continue to observe personal hygiene practices including washing hands thoroughly after using the restrooms.
- ✓ In addition to our cleaning service cleaning our facilities multiple times each week, we will also clean and sanitize the Sanctuary and Fellowship Hall after each meeting.
- ✓ Our Deacons will be present at each service wearing masks and gloves to serve in any way needed including ushering to chosen seats.
- ✓ Please don't arrive to the church any earlier than 30 minutes prior to the start of each service.
- ✓ We do ask that you respect others by being mindful of social distancing practices, and you won't be judged negatively for how you choose to practice your own social distancing and personal hygiene precautions.

Obviously, there will be those who think we should do this differently or later. However, your health and protection is of the utmost concern to EBC. Whatever your thoughts or opinions might be about this process, please continue to extend grace, patience, and prayer to everyone as we seek to navigate our church through an experience that none of us have ever faced previously.
